HOMES ON DISPLAY

Rio 290 & Brooklyn 380

Open Sat-Wed 11AM-5PM

Tarneit is a fast growing area with Habitat estate being on the corner of Sayers and Davis Roads, Tarneit.

Normally display homes have well over \$100,000 worth of upgrades in order to maximise appeal, however, we have purposely displayed these lovely homes with very few upgrades for you to truly get a sense of what the completion of your new home will look like. With both homes situated in our Islander range, we regularly offer many upgraded inclusions for free in our monthly promotions.

Rio 290

The Rio offers a fresh approach to formal living, allowing guests to be entertained away from the central living area yet still be tactile to the sumptuous entertainer kitchen and easy flowing outdoor spaces. The master bedroom located in the front of the home, adjoins both formal and informal spaces, yet still maintains total privacy. It is well complemented by the very generous walk in robe. An abundance of natural light is everywhere to be found. The Rio offers a feature study, luxurious powder room and ample storage. The Rio is a true modern day family home showcased at our Display Centre in Tarneit.

Brooklyn 380

If you are looking for a home design which incorporates smart design, lots of storage and open plan living spaces, then the Brooklyn could be the perfect match for you. Four spacious bedrooms, study and retreat on the first floor. The ground floor offering a second study and theatre room. The main living area is open plan and well positioned to the covered alfresco for outdoor entertainment.

We have purposely displayed this home without too many upgrades to enable you to see what you are truly getting in our packaged price. This new and unique design caters to the needs of young couples or growing families and can be viewed at our Display Centre in Tarneit.
